

Total Solar Eclipse Travel Safety Tips

from the Nebraska Department of Transportation

August 21, 2017

- Don't stop along the interstate and no parking on the shoulder.
- Exit the highway to stop and view/photograph the eclipse.
- Don't take photographs while driving.
- Turn your headlights on – don't rely on your auto headlights.
- Watch out for eclipse-viewers along the roadsides.
- Prepare for extra congestion, especially on the interstate.
- Don't wear "eclipse glasses" while driving.
- If you can, avoid travel during the eclipse or the area of its main path.
